

Mohamed Abdullah Elimam, External Relations & Sustainability Officer

Mohamed is an External Relations and Sustainability Officer with experience in CSR, GHG Accounting, and Sustainability Reporting & Communications. He currently supports the development of corporate sustainability reports in accordance with international standards such as the Global Reporting Initiative (GRI) guidelines and the development of niche new concepts. He supports all external relations, collaborations, and marketing communications. While being a keen salsa dancer, football player, and thinking he will one day manage Real Madrid, Mohamed is even more interested in sustainable development, energy efficiency projects, and project management.
